“ *I am so very sorry for your loss. I wish I could have gotten to know Tom better. From what I have seen he was an excellant father and husband and I respected him greatly. He will surely be missed by all whose lives he had touched. I am sure he is watching over all of us and not suffering anymore. He can now rest in peace and do what he loves the most. I will help the family in any way I can, but Tom will be unreplaceable....Sincerely, Kevin Donnelly*
