“ *Tom, We are very sorry to hear the sad news about your father. RD called to let me know. It indeed has been as short time since Nov 2006 from you mom's passing till now.*

I see that there is visitation at your home on Sunday. We may try to drive up; but unable to attend the funeral on Monday at this time.

If we don't get to see you on Sunday, we hope that we can see you when you come to Houston.

God Bless and May Christ be with You and Protect You at this time of Sadness and Loss.

“ *To the son of Tom Luke, Sr.*

Our hearts and prayers are with you at this time of loss. Your father was without a doubt the nicest and most pleasant man we have ever known.

Just one of his characteristics that we shall always remember is how pleasant and friendly he managed to be with all of his friends even when he was experiencing great pain.

You can always be proud of the fact that you are his son. We shall always take pleasure in being able to say he was our friend.
