“ *Tiffany.*

I've known you and Ashley since i was a munchkin in elementary school. We've so many memories together. Especially Our Ginger bread man play we all did together. I remember i would see you at the skating rink and we would skate and have a good time and meeting up with old friends of ours. Even little time has passed we still kept in touch even it was through social media but i wished this day didn't come and would love to have made new memories with you. You were always such a sweet, pretty and caring happy person. Your personality is what everyone loved about you. You'll be deeply missed. Your whole family will be in my prayers and let god and your beautiful self watch over your babies... I don't know your sweet guy but I could tell Matthew Garth really loves and cares about you and your babies. You sweet babies will be well took care of. God bless you....

I Love and Miss you...
