“ *Oh Joan, we just came back into town after being gone all summer and read about Tim. We are so saddened I just don't know what to say. We have loved your family for so long as we have seen your children grow along with ours. We will always have such wonderful memories of Tim with you and the kids. He was always present at all their activities and always treated them with such love and patience. He was truly an example of fatherhood. We love you. Our prayers are with you and yours.*

“ *We are so sorry to hear of your loss. We are sorry that we could not attend his service. Our daughter, Heather, got married in Houston on 07/07/07 so we were out of town getting ready for the wedding and did not know about Tim until it was too late to attend the service. Tim was a wonderful man, husband and father.*

“ *To the Lee Family, I was saddened when Jim Davis called me last night to tell me of Tim's passing from this life. I'll always remember his warm smile, keen sense of humor and caring ways.*

*May time, faith, family and friends be your allies as you deal with this loss. I will remember you in my thoughts and prayers.*
