

## Timothy Michael Hooks

February 15, 1974 - November 21, 2019

Timothy Michael Hooks was born to Barner Hooks and Karla Bruno in Huntsville, Texas on February 15, 1974 and after a long two year fight against cancer, was welcomed into the arms of Jesus on Thursday, November 21. After graduating from Huntsville High School in 1992, he attended and graduated from Tarleton State University with both his Bachelor of Science and Master of Education Degrees. It was during this time that he married his high school sweetheart, Amber Graves. They stayed in Stephenville for several years where he worked at Tarleton and later at Stephenville ISD. Tim moved his family back to Huntsville in 2004 to join Huntsville ISD where he served multiple roles before cancer led him to early retirement. Tim Hooks loved the Lord and spent his life serving others. He spent his last year serving families as a licensed funeral director until his health prevented him from doing so. Tim is survived by his wife of twenty-three years, Amber Graves Hooks, his two proudest accomplishments, children Abby Grace and son Cooper Matthew. In addition he leaves behind his mother and stepfather Karla and Steve Bruno, father and stepmother, Barner and Brenda Hooks, grandmother, Kathryn Thomson, brother Brian Hooks and wife Ashlyn, aunt Katrina Thomson, father-in-law Larry Graves and wife Daphne Graves, brother-in-law Andy Graves and his wife Jennifer, two nephews Case Hooks and Colton Graves, and step siblings Amy, Brandon, and Jessica. Tim is rejoicing in heaven with his grandfather Ray Thomson, grandparents Chester and Jacqueline Hooks, and mother-in-law Milly Graves, but leaves behind

many friends and family who will cherish their memories with him. Funeral Services will be held Monday, November 25, at 1:00 pm at University Heights Baptist Church, with burial to follow at Mayes Addition. A Visitation will take place on Sunday, November 24, at University Heights Baptist Church from 5:00 to 7:00 pm. In lieu of flowers, the family requests that you honor Tim by serving others during this upcoming holiday season.

*I am so very for the loss of Tim. Cancer is horrible & we keep losing soooo many of our loved ones to it. I had attended UHBC on/off (Sickness) for about a year when Katrina introduced me one day to Tim. I, myself was fighting a terminal disease & awaiting a possible kidney transplant. I had no idea Tim was another part of our large family! And then to find out that he worked with my husband with HISD! He was just a wonderful young man & gone much too soon. You know how to get in touch if I can help out in any way!! May God help you through these trying days ahead... but, we will see him again!! Hugs & much love, dear cousins....*

“ I met Tim while working with him on the Connected Bus project that was his brain-child. He had such a vision for the technology he wanted see on the buses but his priority was first and foremost, student safety. I so enjoyed going to his office because usually he was cooking BBQ for his entire team and always invited us to join in. His energy was infectious and his giving spirit was always evident. I have to say that in all the 17 years I've worked with K-12 customers, this project was by far the most rewarding and that was due to Tim. I loved hearing his stories about his kids, Cooper and Abby and of course he talked about Amber as well. It was very evident how much he loved his family and the Lord. I feel very lucky to have crossed paths with Tim! My thoughts and prayers are with the Hooks Family.

“ *Mr. Hooks was the assistant principal when my son was at MPJH. My son was in special ed and had some challenges with social skills and with fitting which made jr. high a tough place to be. I remember an ARD in which Mr. Hooks advocated for him and his needs. Even though my son is now 23 and a successful college graduate, I will always remember and appreciate his kindness and sensitivity toward a struggling 7th grader.*

*“ I was blessed to meet Tim this past year as he helped the Irwin family through the loss of Peyton. He was so sincere in his grief over her loss and love for their family. I know he is rejoicing with the Lord along with her and all those who have gone on before us. Praying for his family as you go through your time of grief of saying goodbye for now. Hold onto the words of Jesus that He goes to prepare a place for us so that where He is, we may be also.*

“ I will always remember how Tim had a kind word and a quick smile. I loved how he supported and loved his family. He was the biggest fan of his children and so very proud of his wife amber. He was a fierce competitor in all he did including his last contest with cancer. I celebrate his life knowing he has won the battle and now resides next to the One he loves and serves. Prayers for strength and comfort to all his loved ones left behind but rejoice in knowing you will see him again soon.

“ We will always remember that tousled blonde haired, friendly little boy who was the best baseball catcher around. Always had a smile on his face and a fierce competitor. He was awesome on the playing field and quite a personality off the field. We always loved being around him, his brother, mother and stepfather!, and really the entire family. We watched him grow into such a remarkable young man and educator. He will be greatly missed by all who knew him. All our love and prayers. Bob and Phyllis Kennedy

“ We will keep your family in our prayers, but rejoice that Tim is disease free and with the Lord. He was such a great leader. I'll never forget him coming to my rescue when they were bats in the gym, removing tarantulas from locker room, and when there was a family of possums in a locker! He leaded with grace and compassion, and I learned a lot from him. Love Jason, April, Reed and Nate Holbrook.

“ My heart is rejoicing for this loved one who is free of pain and with his Father. My heart is heavy with sorrow for his courageous wife and kids. One of my fondest memories of Tim is his wit. I met Tim at HHS when he was an AP. We instantly clicked. I loved his professionalism. If I ever needed advice, he made time for me. If I ever I needed a laugh, his sense of dry humor was there for us. A dear soul. I'm blessed to have known him. Amber, turn your eyes onto Jesus my beautiful friend.
