“ *Tommy Foster*

“ *One time before the refinery doubled in size, we 17 e&I techs were sitting having lunch. Tommy used to tell us things just to mess with us. I said, innocently, that he was trying to snow us... and then dubbed him Frosty(Foster) the Snowman. Don't you know this gets back to him and he calls me in and tells me how much he liked the nickname.*

He was a good man, he took care of his men, and we worked hard for him and the company.

RIP Frosty.

“ As today ends, know that you have all been in my thoughts and prayers. Laura, you have been such a blessing to sweet Tommy...I know you filled his heart, as he did yours. Dear Peggy, Jody, and Kirk...know how much you were loved by this amazing and loving father. Your children and grandchildren have been blessed with an incredible legacy. Those of us who have been blessed to have him in our lives..for a day..or a lifetime...are filled with memories of a great man who left this world a better place..a man who cared, and loved, and left us all smiling at just the thought of Tommy Foster!
