“ *Tommy was the best and we are so fortunate to have known him. Some of my fondest childhood memories involve Tommy and all the great times we had fishing and boating at the lake. In fact I don't think we ever caught a fish unless Tommy was there. He had that magical touch. He was a joy to be around and had a way of always making everyone smile and laugh. We will miss him greatly!*

*All our thoughts and prayers go out to Debbie and the Family.*

“ *Tommy was both friend and family. He was always upbeat and full of fun. i will remember sitting out by the fire while he played his guitar. I spent many days at the lake with him, just fishing and talking, i remember one day in particular that I got to the lake, he had already caught a limit of blues. He could not lift the stringer by himself so he was waiting for me to help. He told me later that it took him 2 hours to clean them all. He was a great fisherman in a family of fisherman. He is sorely missed.*

“ Tommy Reuter has been a part of my life since we met at a wedding shower for Al and Carleen, many years ago, I was 16 years old! He became a good friend, family member and neighbor and he will be missed! Tommy was a smart, bold, strong man! He loved his family and he loved to fish! I cherish those times we meet up on the lake to fish and talk! I learned from Tommy that the limit is "4" fish have to be caught, or they all go back into the lake. I still stick to that rule! Tommy had a great sense of humor and was a great story teller! I will miss him greatly! Jesus was a fisherman, I know him and Tommy are probably swapping fishing story's right now. My heart goes out to Debbie and the family!
