“ Toni, I haven't seen since you were a baby. I was hoping one day that I would see you again. I could have told you all the great things about our father you never had the chance to meet. I hope you lived your life to the fullest and enjoyed every second of it. I will see you again one day. Your brother, Roy.

“ Dear Nona,

I just wanted to write you a quick note to let you know that I've been thinking about you and your family since I learned of Toni's death.

There are no words I can offer that will make this any easier, but hopefully just knowing that people care will allow you to lay some of the burdens on us.

I will leave you here, but please know that you are in my thoughts and my prayer goes to you and your family.

“ Nona, I was so saddened to hear of your great loss. I know that my feeble words cannot even begin to touch your grief. Just remember we do not have a High Priest that is not touched by our infirmities (Heb 4:15). God is ever present with you and will hold you through this difficult time. Remember our prayers here at GSE are with you.
