“ I was so saddened to find out about Troy's passing although we were just gaming friends he was such a tremendous young man. He challenged you taught you and shared with you his knowledge and love of the game. He will truly be missed so many in the gaming community. Please know that even though this is some 8 months later the emotions are just as real for me/us as it were the day you mourned in November. Troy was a Man above men and was a blessing to all who knew him.

“ Dear Kay, Alex, and Gabe,
I am so sorry for your loss of your Troy! He is a young man I have always looked up to and respected. His Christ-like example is brings to life a scripture story I have always loved. It is found in Acts chapter 3 and it refers to a man who was “lame” from birth. Although Troy was not lame at birth (in fact, I remember fondly two rambunctious cute little boys running around my exam rooms in my office very well), as he began using his wheelchair his story is very similar.

The story includes four individuals or groups. The first is the lame man. Troy is the man with such faith that he always was faithful and true to the Lord. Though he wasn't begging for alms, he did seek after the goodness of the Lord everyday. He had faith that as the Lord reached out His hand that he could and now does rise and walk and run into God's presence.

Then there is the family. In Acts chapter 4 verse 22, we learn that the family carried the lame man to the gates of the beautiful temple for over 40 years. Now Alex, Kay and Gabe didn't carry him for forty years, I love each of them for the example of love they showed me by their faithfulness to care every need of Troy!

Next, we learn of Peter and John who symbolically represent the Savior. He has no silver and gold, but such as He has (which is eternal life and love), He gives freely to all of us! He reached down with His right hand this last time and Troy reached up in faith and was raised! Troy not only walks now, but he is leaping into the presence of our Lord!

And then there is each of us. We praise God... for each of us “were filled with wonder and amazement at that which had happened unto him.”

I love your family. You are one of the bright examples of faith in my life. You are in my heart and in my prayers. Because of Jesus who lives again, Troy lives again!

May peace be with you, your brother in Christ,
David Prier

I know that all of us were so BLESSED to have had Troy in our lives. He was a very special young man, and there is no doubt that he has Graduated from this Earthly Body, and is in his Forever Heavenly Home! What a blessing it is to have that assurance. I know you did everything humanly possible to make his life special! Your family is very special. I love all of you! You are in my thoughts and Prayers as your family goes through this void in your lives. May God hold you in the palm of His hands, and give you His peace that passes all understanding! My Love, Dorothy Nichols
