“ *Mrs. Hall was my second-grade Sunday School teacher. And was for older brothers and for so many over the years. She and Mrs. Nimo taught us the books of the New Testament. I cannot sing that little tune without memories of that Sunday School class. Mrs. Hall loved all of the children so sweetly and when she taught us that Jesus loved us, she demonstrated his love through her words and hugs! So many jewels her crown for so many years of service in the church. God bless the Hall family for the loss. We will all celebrate with her at the feet of Jesus again soon!*

“ My thoughts and prayers are with each of you. Your mother was a blessing in my life. God used her to lead me to Christ. Your mother probably had more impact on my life than anyone outside of my immediate family.

*Her kindness will be remembered by many people and she will be deeply missed by all who knew her. Every time I hear the song "Thank You", I think of your beautiful mother.*

*May God grant you peace and comfort through this difficult time*

“ I first met Valda during our mutual years in the Joy of Living Bible study. We became friends of like thinking on many subjects, and in many ways she was my mentor. Her strong leaning on the Lord was a great example to me and I value the times we were able to spend together. God used her mightily in her 106 years on this earth. She was a special blessing to me and to all who knew her.
