“ *We wish to send our deepest condolences to Roberta and Dorothy and the extended members of Vera's family. Vera was a very good friend of this family for many years and we are sad to hear of her passing. She had a great love of animals, particularly her cats and beloved dog.*

*Vera had a deep spiritual sense of life, was very gentle and kind to all she met. Above all she loved her beloved homestead in Passage West. We enjoyed her telephone calls from the U.S. telling us of her new life in the States, but deep down she missed her old life, particularly as a young beauty, in Passage West. I have put her photograph on the mantelpiece this week and we are thinking of her a lot. I know she is back in spirit in Passage West and wish her peace and contentment, we shall miss her. Many people are sad to hear of her passing. Kindest regards from Eleanor and Colman O Mahony, Monkstown, Co. Cork*
