“ We are very sorry about your loss. We have prayed for you. We did not know she had been sick. We planned to attend the funeral, but the funeral date in the Huntsville Item was incorrect. We tried call you, but could not reach you.

“ To Tori, Bruce & Mrs. Lawlis,

For almost 20 years I've grown to know Vickie. We, as employees, are all a family because we're in the office together for over 40 hours a week. As families do, we laughed, we cried, we worried, we fought, we made up, we kidded, we bitched, and as families do, we stand together. Vickie was very much a part of our family and I still think I hear her back at her desk, or to walk in the door.

We do have our memories and she will always be with us. If you need anything, please let me know.

I am so sorry I was not here when your mother passed away. You all are in my thoughts and prayers. I know it will be difficult but there are so many people that cared about Vickie and will continue to care about you, including Tony and myself. If you ever need anything, you know where I work! Or, you can call us at 594-9771. I heard the services were beautiful and touching and just want you to know that Vickie thought the world of her children and was very proud of them.

“ *Tori & Bruce,
I am so sorry to hear about your mom. I knew she was sick, but not to this extent. You know that you are always welcome in our house. God Bless each of you... Vicki loved you more than life itself. You could always tell just how proud of you she was when she talked about you. If you ever need anything, give me a call.

“ *To all of Vickie's family, and especially Tori... until my own tragedy, Vicki was like a sister to me. And Tori, you were always like my little sister, because you and your mom were more like sisters to each other than mother and daughter. I had never met any mother that loved her kids more than Vicki. She gave me a foundation for when I had children of how a parent should love their kids. She was so devoted and always bragged to me about you guys. I am just sorry that I wasn't there these past months. I should have been. I left Friday morning and just got home today (Sunday) and now I see that I missed all the services. Tori, if I can do anything, I want to. I will walk in that Relay for Life. No one should have to go through this, and certainly not someone as good and kind as Vicki. I loved her so much and life is simply not fair. Tori, my email is tanya_rose@grovetonisd.net, and my cell # is 581-1273. Use those, please. But more importantly, my home is open to you. If you need a refuge and someone to talk to or someone to just cry with, please use me. I'm so so sorry. Tori, that only thing that gives me any comfort is I know Vicki is talking to my Tyler right now and she is gonna take care of him until I am called home. I love you Vicki and Tori, the sisters I always wanted. Call me, please. Tanya*
