“ *I wish to express my condolences to the Victor Early family in your sorrow. May God keep you during this time. I taught the older grandchildren as well as the younger grandchild. I have memories of Mr. Early picking up the older grandchildren from school. God Bless, Mrs. Spikes*

“ *Vic was a fine asset to our city and community. As a young man he was a great athlete; later he was a city councilman for ten years, 1965-1975; served in the New Waverly Volunteer Fire Dept; was a respected businessman; a good husband, father and grandfather and a good neighbor to our family. These are memories I have of Vic. I am grateful to be able to share them with you, his family. sara*

“ *I am sad to learn of Victor's death. I will try to make the viewing or the graveside service. I am not sure that I will be able to at this time. I graduated from New Waverly High School with him in 1950. I have not seen him since then, but will remember my senior year with him in my class as long as I live. I pray that God will comfort all of those who are affected by his death. GOD BE WITH YOU ALL is my prayer.*
