“ *My heart aches because you are gone, but I praise God that you are no longer hurting. You were such a loving person and adored your kids, grandkids nieces and nephews. You were one of those beautiful Stutts sisters, along with Dee and Janet.*

I was the niece, but you treated me so special. I loved you so much and am so grateful for the time I got to spend with you. We shared a love of reading and would keep each other up to date on great novels. You were sweetness, beauty and love all in one. I know you are with Papaw, Mamaw and Shonda. What a celebration! I love you and I will miss you!
