“ *Cheryl and Stephen,
I was so sad to hear about the loss of your mother... I lost mine last year and know what it means to lose someone so vibrant in your life. Just keep thinking about the good days, remember her laughter, and remember the hugs she gave, Doing that does help alot. And know in your heart that you have a guardian angel watching out for you and your family. My thoughts and prayers are with you in this time of need. God bless you all.
