“ *To Walter's Family, Please accept my deepest sympathy and prayers. Walter was a friend of my late husband Tom Blackard, and of mine at the Elk's Lodge. He was a wonderful gentleman, never complaining or having a cross word about anything. He was always a pleasant man to be around. He will be missed by all who knew him, but God has other plans that our finite minds cannot understand.*

“ *I was shocked and sadden to hear about Walter's passing. He was a good friend to me and we worked together for many years at Sears. I'll never forget the time he called to say he would pick me up to take me to work ,because it was snowing outside. After waiting and waiting for him, I found out he slid into a ditch. I felt so bad about that, but all he would say is better him than me. In the middle of the night when I was frecking out cuz I could hear something crawling in the apartment, Walter was the one that came to save me! We had a good laugh when we found out it was only a junebug upside down scratching on the foil paper. Walter, you will be missed!! My prayers go out to his family.*

“ Walter sold me my first remote control TV around 1975 when he worked at Sears. I still remember how helpful he was. Latter when I had the portable building business and he worked at Walker Byrd, we would visit often. Walter was always gracious and I will always remember fondly our conversations. Rest in peace, friend.
