“ *My thoughts and prayers go out to each and every one of the family members during the trying the days ahead. I have the greatest respect and admiration for Wanda and love her very much. In the late 1980's we met while working at the old JCPenney store in Conroe. To this day I carry many very fond memories of those days. When Rolland was still living she would referred to him as "Fuddy Duddy" because he stayed home and wouldn't go anywhere with her. After I left there, sometimes I would get to see her at Walmart and always think of her when I go in there. She was a very precious, strong, funny and caring lady. I know she will be missed by each of you, but carry the memories and you will always have her with you. Prayers and Blessings to all.*
