“ *My deepest condolences and prayers are with you. Wayne was such a special person, a very loving, generous, kind and loyal friend. He would do anything for anyone, and never ask for anything in return. He put you in a better mood when he was around, and always found the bright and fun side in everything. I will miss his smile, his laugh, his hugs and all the good times at shows we went to. Wayne knew how to rock and was a really great friend. He will be loved and missed by all, his energy and love will remain with us. Miss you very much, my friend. God bless you. -Ruth*

“ *I did not know this young man, nor his family, but my heart goes out to that family. He should have had at least one family member with him at the time of his passing. You will be in my prayers that our Father will give you peace and strength for the days ahead. RIP Wayne Hallard Acord.*

“ You have my sympathy and prays, I know this leaves a void in your life and a huge hole in your heart. Seeing Wayne's picture reminded me of the times Jim and him would come to the Metro Gun Club, Wayne was so polite and pleasant to be around. Even though the shooters at Metro have not seen him for several years we all are thinking of you and feeling your great loss.
