

WB Warner

April 19, 1940 - July 25, 2024

We bid farewell to our father, WB Warner, who went to be with our Lord on July 25, 2024, at the age of 84. A pillar of strength and a beacon of love, his absence leaves a void in our hearts. To commemorate his remarkable life and the memories we cherish, a service will be held at Sam Houston Memorial Funeral Home in Huntsville, TX on Wednesday, July 31, 2024 at 10:00 AM. Visitation will be Tuesday, July 30, 2024 from 5:00 to 7:00 PM, at the funeral home as well. We welcome all who knew him to join us in celebrating the life of a man who loved deeply and will be missed.

Daddy was hardworking and dedicated. He spent 30+ years as a teacher and administrator, where he was known for his kindness, leadership and supportive nature. Though Daddy may not have liked being the center of attention, he deserves to have his many years of fatherly love honored. He was a man of integrity, hard work and loving support and left a lasting impact on everyone who knew him.

He is survived by his 3 daughters – Cathy DeYoung, Tracie deRoulac, and Vicki Warner; 6 grandchildren: Brittni Coombs, Joshua DeYoung, Matt deRoulac, James deRoulac, Jami deRoulac and Jessica McAnally. He is also survived by 13 great grandchildren, one sister Geneva Russell, as well as many nieces, nephews, extended family members and friends who will miss him dearly.

He was preceded in death by his parents JA and Jessie Warner; sisters Tess Islay, Earline Puckett, and brother James “Bubba” Warner and son-in-law

Pepper deRoulac.

We find comfort in knowing that Daddy's legacy lives on through the lessons he taught us, the love he shared and the memories we will cherish forever.

Memorial condolences to the family may be made at www.shmfh.com.

“ My sincere sympathy to the Warner Family! WB was in the first grade at Riverside and Mrs Freda Dominey was our teacher..when I first met him. For 12 years we were in the same grade together.... He was a true friend to all of us kids from Riverside.. It was a privilege to know him. Also, I didn't know that Bubba also passed. A Few years ago.... we were driving from Huntsville to Riverside... when I saw Bubba walking home... we stopped and picked him up and let him out at his home... I told him who I was and he nodded in recognition... I told him all about our being at Riverside School together... he seemed to enjoy our visit... as did I.... Lots of good memories.... Dorothy Autery Duty.. Class of 58 Huntsville High School..

“ I worked with WB when he was the principal at NWMS. It was a joy to work with him each day. There were many laughs, most of the time at each other. Family was of huge importance to him as he often spoke of his with a smile. Prayers for his family and May he Rest In Peace!

I did not know WB personally but my late husband (1958 classmate) Gerald Kirkland, had told me what a good person he was. I'm so sorry for your loss and may God bless your family!

“ I was privileged to work with W.B. during his time as a Principal at Gulf Coast Trades Center. Although I already knew him socially, I was able to see first hand why he was so loved at N.W.I.S.D. He was a true instructional leader that backed his teachers, while making them better , was respected as well as liked by most of his students & daily showed that he cared about the people around him . We have truly lost one of the “Good Ones”.

“ *This is sad news for my family. We knew W B for years and cherished his friendship. He came to teach AG in New Waverly where we met him, Donna, and three sweet little girls. In later years he returned to NWHs as principal and our friendship was renewed. My love and condolences to Cathy, Tracie, and Vicki and all his family.*

“ WB was my ag teacher from 1973-77, but was so much more in terms of being a mentor. If I wasn't overseas for another month, I'd definitely come pay my respects. My condolences to the family. ❤️
