It is with deep sorrow that we announce the death of Weldon "Craig" Godwin, who passed away at home on March 21, 2023 at the age of 70.

He is preceded in death by his parents, Weldon and Ernestine Godwin and his sister, Marolea Adams. Craig is survived by his wife of 49 years, Christine Godwin.

He was born in Houston, Texas. In 1965, he and his family moved to New Waverly, Texas where he met and married his junior high and high school sweetheart, Christine Klawinski Godwin. After graduating from New Waverly High School in 1971, he established United Machine Works. He was a businessman, a loving and caring husband and uncle to numerous nieces and nephews.

Craig enjoyed fishing, hunting and golf. He had a love for animals and always supported his wife in caring for many rescue animals. Craig always had morning coffee with his buddies and you could find them telling jokes and playing pranks on one another. In his lifetime, he found great joy in spending time with and loving his family. He was a generous man who would help anyone in need. He will be greatly missed. In the words of his wife Christine - "I will love you always and forever."
