“ Wendy was my first born and what a beautiful baby she was as well as a beautiful woman, wife and mother herself. I am missing you Wendy but I will be with you again. Love is all that matters when it all comes to an end here on this earth because you do not take anything with you but the blessed love we have for one another. Love is all we need and never loose. Until I see my sweet baby again I will always carry you in my heart with the deepest love one could have.

Mommy loves you always
