“ Wesley had a heart as big as Texas. He gave our baby her first dog and took her on her first hog hunt. There will never be a man as tough and rough talking, that would never hurt a soul, love and feed it when the day was done. May you rest in peace our great friend. P.S. Maddie says Mickie Mouse Carter will be O.K.

“ This morning I shared a fond memory of Wes with Aunt Beverly and Natalie of Wes when he was little. Ever time I heard his name I thought of it. Aunt Beverly remembered it once I mentioned it. The memory always brings a smile to my face and laughter to me thru the years. So he will dearly be missed by all and always Loved by those who knew him. To Uncle Everett and Aunt Beverly family and friends may God help us all to get thru this passing of Wes..

“ We both wish to send our deepest sympathy to the entire Massey family. Wesley touched so many lives and is going to be greatly missed. His love of nature, his way with animals and his love of hunting made him one of Gods special ones. May peace be with you all and finally peace for Wesley.

God Bless
