“ *To the "Adamick" sisters and family,*

*I am so sorry for your loss. I am also so proud of the way all of you have cared for your dad and mother over these past several years. There is not a stronger testimony of your love for them! And before that I remember how Mr. Adamick lovingly cared for your mom when she first had her stroke. You have a family built upon love and dedication, and in that you can be comforted recalling memories of when you were young and your dad was strong and healthy-- laughing, smiling and taking care of his "girls".
God bless all of you, and give your mom a hug for me. Vergie Dotson*

“ To the Adamick family:
Mr. William has been a good neighbor to my family since 1973. Have fond memories of him working in his garden and driving his truck late in the afternoon to take Mrs. Martha on her "ride". God blessed his family with this quiet, hard working man. At last he is at peace, resting. My prayers are for our Father to comfort each of you in this time as you grieve, but know this, one day we shall all see him again.
