“ It was sad to learn of Williams's passing. Tho we were not really close and did not grow up near each other, he made a road trip to Mississippi 2 years ago with his sweet sister Harlene Copher, to visit their cousins in Ripley, MS. He had only been here once as a teenager but found his way to my big brother Kieffer Smith and me for an afternoon of conversation. He was a delightful gentleman and appeared to be a devoted brother to Harlene. I learned that day he was a US Marine. He's a pleasant memory. My father, CC Smith Is Williams's mother Pansy's oldest brother. My condolences, Paulla Grisham

“ I am so sorry to learn of William Harold's death. My condolences to his family and friends. I am his first cousin, daughter of Carmel Smith. We were very close as children but through the years we lost contact until my Mother became ill and I went to Mississippi to care for her death. William Harold was so faithful to call at least once a week to check on Mother and sent flowers several times to cheer her up. He was a fine and thoughtfull man and will be missed by all who knew him. May he rest in peace.
