“ I was hired into the TDC Accounting Department in 1983 and Mr. Byers was the Director of Accounting. His secretary Bobbie Elliott and I carpooled from Trinity for 20 years. I am still in TDCJ Accounting and Business Services and have many happy memories of this great, kind and considerate man. He was the epitome of professionalism. Bobbie and I would like to express our sincere sympathy to Mrs. Byers and Brad. Clegg DeWalt

“*Mr. Byers was my most favorite customer at McNease Drugs. He brightened my day with his presence. I am so happy I ran into him about a month or so ago to give him a hug because I had not seen him in a while. Mr. Byers will always be remembered! Every time I go to McNease Drugs I hope Mr. Byers is there. It is going to be weird from now on, but I will always think of him when I walk in those doors. RIP Mr. Byers. Look forward to seeing you again one day =)*

Mr. Bill Byers, a man, who's character inspired you and who's wit could bite you. You don't forget the person who provided you with a life-line (my 1st TDC job) and an opportunity to succeed. In December 1974, I was 19 attending SHSU and flat broke. I needed to find a job that paid enough to continue college or drop out. Mr. Byers hired me to work as the mid-night shift phone operator and security guard for the TDC Administration Building on 11th Street and this life-line opportunity allowed me to continue my college education. Thank you Bill for showing and leading us by your example and high standards. You will be remembered by your TDC Family.

*I have known Bill and Charlene for many years. My crew and I clean their house . Bill is one of those honest people with a kind heart. He called me sugar . Our very last conversation I was telling Bill how I took care of my parents and my dad was in bad shape , being a daddy's girl I always wanted to be there to take care of him and I went on to tell him all I did for my parents. I told him If I was your daughter I would be telling you to do this, do that, watch your step, eat healthy, wash your hands, etc he giggled and said I wish you were my daughter. I left there with the feeling in my heart that, that would be the last time I seen him. He was having a hard time breathing and it worried me . My heart is heavy for Charlene and Brad , know your in my thoughts and prayers .
