“ *One other thing I just remembered. There is a slide going into the kids pool at the city pool and he would go down it after water aerobics everyday. We were cane walking buddies. Very upbeat, positive man and friend!*

“ *Bill was such a joy to know! He kept us laughing at water aerobics and always had a friendly word or greeting when I got to the pool or as I was leaving! I'm so sorry to hear of his passing and I'm keeping all his family in prayer. Geneva, I cannot express how sorry I am for your loss.*

“ So many of my memories of St. Theresa's and Spring Branch involve your family. Your Dad was a great man. I still remember when he sang Ave Maria at my grandfathers funeral many years ago. He had a wonderful voice. Lean on each other at this time and you will get thru it.

“ Cathy, didn't know your dad very well but every time he and Geneva were over at your house or at a function at church. I always remember he had a smile on his face and the banjo in his hand. Praying for you and your family and siblings and Geneva, during this time.

“ As the days and weeks pass, may you be comforted by the love and support of family and friends. Proverbs 17:17 says, "A true friend shows love at all times. And is a brother who is born for times of distress" Grief can be so hard, but our special memories help us cope. Remembering and cherishing a life well lived and loved.

“ Geneva and Family, My deepest sympathy and prayers to each of you. I'm so happy Bill and I crossed paths in life. What a fine man with a quick wit. My fondest memory of Bill was his jump into the pool, winter or summer, to begin water aerobic class at Poncho Roberts Pool and the jokes. He will be missed. God bless each of you.

“ One of the fondest memories I have of Mr. Bill Cooney is of him playing his guitar at our worship services. NW First Baptist Church will not be the same without him in his usual place. My prayers and thoughts go out to Geneva and other family members at this time. May our Father give you peace and strength in the days, weeks and months ahead.
