

William "Cowboy Bill" Riley Sallas

September 25, 1946 - February 3, 2024

"Cowboy" Bill Sallas passed away with the comfort of his family, February 3, 2024.

He was born in Cleveland, TX to Ruby Fussell and Albert "Bull" Sallas and then raised in Porter, TX. Right after graduating high school, he joined the military serving in the Army. Afterwards, he held different jobs but the only thing he cared about was being a Cowboy day in and out. His favorite past time was training horses, working cows and getting to go to the horse auctions. There wasn't a horse he couldn't ride or a cow he couldn't catch. He was a cowboy through and through and will be missed by many.

You may leave a written message of condolence to his family at www.shmfh.com.

“ Bill loved being a cowboy , but my husband and I spent plenty of time with Bill at the casinos, he was the luckiest guy you would ever meet . He had the Midas touch . What great times we had.

“ COWBOY BILL - makes me smile when he is mentioned - and the GOOD TIMES we had! The funniest moment in Bracketville, (well there were many funny moments) Cowboy Bill and Corby - Cowboy Bill Dressed up like a "homeboy" and was rappin' with the music. We laughed so much. So many fun times, so many tears of laughter after the long hours of day shooting hanging out with FRIENDS on sets and locations.

Cowboy Bill will be missed - please pass this along to his son Cody.

Cody , I have a favorite story about your Dad . You were showing at the MCFA and had to be at the fair grounds no later than than 5:00 pm . Well Mr Strader was getting nervous and ask if anyone had his cellphone number. I do I said . Right there in the brim of my hat was Bill's number . Funny as all get out to your Dad .

Bill was a rare find in this mixed up world . We used to kid him about that trailer being welded to the hitch . Not many times did you see him without that trailer and horse saddled ready to go. Bill will be missed thats for sure . Brett Bowen
