

William Kelly Ferguson

June 1, 1992 - May 9, 2014

William Kelly Ferguson went to be with his Lord and Savior, Jesus Christ who he deeply loved on May 6, 2014. Kelly was born June 1, 1992 and is survived by his parents William "Bill" and Shannon Ferguson. He was the love of their life and the apple of their eye. What Kelly lacked in height he made up for with a larger than life persona. He enjoyed crazy haircuts, big hats, cowboy boots and culinary tattoos. He possessed a great heart, touching the life of every person who crossed his path. From the mountains of Colorado to the Island of Anguilla, Kelly Ferguson never met a stranger. Kelly lived his life to the fullest and infused happiness and laughter into everyone around him. There was never a dull moment with Kelly. He loved fast cars, big trucks, women, two stepping, and beating his friends at pool. He was a member of a three-peat state championship golf team at his Alma Mater, Alpha Omega Academy. After high school, Kelly took his talents to the Culinary Institute of America in Hyde Park, New York. Known affectionately in those circles as "Kelly the Cowboy", it was there he refined and developed his lifelong love of cooking. Kelly then brought that love back to Texas, where he rose to the position of Sou Chef at Reef Restaurant in Houston, Texas. Kelly was few and far between, truly one in a million. His passing leaves a void in the hearts of his friends and family that will never be forgotten. Kelly is also survived by his sister April Smiley. His grandparents preceded him in death; paternal grandmother Ruth Miller, and Kelly was especially adored by his maternal grandmother, Barbara Youree. Kelly is also survived by many extended family

members. Although the Lord took Kelly young, his legacy lives on through the lives of those who loved him. Visitation will be held Thursday, May 8th, at the Sam Houston Memorial Funeral Home in Huntsville, Texas from 5:00 to 8:00 pm. Funeral services will be held at 11:00 am on Friday, May 9th, at University Heights Baptist Church in Huntsville, Texas with Pastor Richard Rogers presiding. Graveside service will follow at 2:00 pm, Farris Cemetery in Huntsville, Texas. A foundation has been established in Kelly's name at Alpha Omega Academy. Donations made to Kelly's Kitchen, the new kitchen facility. Donations will be used to furnish and supply the new kitchen to honor Kelly's memory and his passion for the culinary arts. Donations may be mailed to: Alpha Omega Academy, Kelly's Kitchen, P O Box 8419, Huntsville, TX 77340 Memorial condolences may be made to the family online at www.shmfh.com.

“ *Mr. & Mrs. Ferguson,
Memories of a vivacious, smiling, vibrant third grader at FLS come rushing back to me when I hear the name Kelly Ferguson. What a JOY he was to have in class. It sounds as though he grew up to be a wonderful young man! My thoughts & prayers go out to you and your family.*

“ *Bill, As I was sitting next to my son at the graduation of his daughter (Sarah Heaton) at the Alpha Omega graduation last Saturday he told me of the death of your son. I know what you and your wife are going thru. I would love to listen to you tell me about this wonderful guy that graced this plane for such a short time. Sometime we only have to stay a little while because we have learned all we need to know. My thoughts are with you. Wilma Heaton Montgomery 718 612 0175*

“ I'm sorry for the loss of your son. Kelly was an incredible friend that I was fortunate enough to meet on the first day of moving in at the CIA. From that point on his infectious smile, endless energy and positive outlook helped create unforgettable memories for myself and countless others that he encountered. It's painful to see such a brilliant young man and dear friend leave us, but I will always be proud to call him a friend.

“ I'm so sorry for the loss of your son. He not only brightened my life in my years at CIA, but also the lives of all of those he encountered. He was such a genuine and wonderful guy to everyone he met. He always had a smile on his face and an energy that was contagious to those around him. He will be greatly missed by many, but his memory will be forever kept alive through the stories of all the fantastic memories we shared with him.

“ Family and friends of Kelly. We are Lance Swisher's parents and met Kelly while visiting Lance in Houston during the Christmas holiday. Kelly was so friendly to us and just full of smiles. Lance spoke so highly of him. They so enjoyed performing karaoke together. Lance is devastated over the loss of his close friend. We can not begin to imagine how hard this tragedy is for you. Please let God be your peace and love. Our thoughts and prayers are with you.

“ I really would like to take the time out and say to the family, I am so sorry for your loss. I am a former co-worker from REEF. Me and kelly worked hard together, he would always count on me when he needed an extra hand. He wasn't very big for his size but his heart was. Kelly was one of those great people who knew what he wanted and did it. He cared for people like I have never seen before, he knew what it takes to be a leader. I'm going to miss him, and he will always be one of my friends. Rest Easy kelly!

“ When I first met Kelly at college I knew I was meeting a special person. He was one of the few people in this world I would say was a true friend. Your son was such a wonderful person and I was turely blessed to have had him in my life. I am so sorry for your loss. I know that Kelly is in a better place now and he is watching over all of us now.

“ *Mr. and Mrs. Ferguson, My name is Linda Hurtado, and your sweet Kelly went to CIA with my son Daniel. When we were in Hyde Park for Daniel's graduation, Texas size Kelly and his Texas size pick-up truck took us to dinner and a few places, and we ever so grateful. Daniel took care of Kelly in return by helping him with his externship connections; true friendship. I will continue to pray for you and your family; this loss is unimaginable, but Kelly has another friend in heaven..my husband Paul who along with the rest of my family "felt at home" when we met Kelly and his pick-up truck. May God's grace be with you.*

“ *Bill and Shannon, Our lives are richer because of your friendship. As stated by many others, words cannot express the sadness we feel over all of us losing Kelly. Our comfort can be that he is not 'lost', but he is organizing and preparing a great feast in God's very well equipped kitchen. We love you dearly, and there is nothing that will ever change that. We are available to help you and love you.*
