“ *I can always picture Uncle Willie flashing one of his cute, boyish grins! One thing I will always remember fondly about Uncle Willie is how much I enjoyed waltzing with him - he could really waltz good. He waltzed exactly like his brother Leon, my dad. Makes my heart smile, thinking that just maybe, when Uncle Willie was just a kid, perhaps he asked his big brother to teach him how to waltz and maybe that's why he waltzed so much like him. Thanks for dancing the waltz with me, Uncle Willie, a memory I will always enjoy. You are in my heart always, and in my thought and prayers -- rest in peace with the Lord, our God.*

“ Uncle Willie was always such a sweet man, when we would go to visit you never left empty handed, he was always ready to share with you vegetables from the garden, or a flower cutting. He had the prettiest sky blue eyes just like my Grandpa. When he went into the hospital with pneumonia and congestive heart failure in March it was a pretty touch and go time, so naturally my Momma, Mary, his only sister left wanted to go see him. So my husband Alfred and I got her and headed up there. Recently being diagnosed with cancer for the second time and just starting treatment a hospital was the last place I needed to be. I stayed in the lobby while Alfred walked with my 91 yr old Momma to his room. They had a good visit and although it had been awhile since he had seen Alfred he remember him well and how much he liked to hunt and fish. When they were leaving he took Alfred's hand and told him to tell me that when he got to heaven he was gonna ask, beg or whatever for a miracle for me. I was so touched, and I know when he got to heaven that was on list of things he wanted to talk to God about. I love you Uncle Willie and I know you are in heaven because you were a good and holy servant of God. Until we meet again, may you rest in the comfort of the arms of our Savior.
