“ *As I think of Billy, I will always remember that GREAT robust laugh of his. Thru the years, I looked up to him as a big brother, and a wonderful friend. When I was young, Billy always let me tag along, laughed at me when I did some really stupid things growing up, taught me how to waltz (he was the best there was), shared so many good times, and made lots of memories that I will cherish forever. He loved "his girls" more than life itself. His wish was to see you both grow up. He was sooooo proud of you. I admire the strength and the fight that he put forth in his battle. Marie, and girls, I appreciate everything that you did for Billy. I will keep you in my thoughts and prayers, and Billy in my heart. I love you.....Dianne*

“ Marie & Girls, I feel so blessed to have had Billy as my friend. His smile could light up a room, but I will forever treasure his kindness & honest sweet spirit. Whenever he & I got the chance to visit, his conversation was always full of the love & pride he felt for each of you. Continue to make him proud by being the strong courageous women that you are. “ *Marie,
I am so sorry to hear about Billy. Although we went our seperate ways thru the years, I always considered him one of my best friends. Billy was always a joy to be around. I can see him now with that big smile of his. I am having a problem with my leg right now. I have a severe infection and don't know if I will be able to take the drive down there and back. I am going to try to come down for the visitation. I have to be at the Dr's office Monday at 8:45 for some more test. If I don't see you, you and your family are in my thoughts and prayers.
