“ I remember very well the first time I met Dub and Maxine. Dub ask me about building in Huntsville. We talked for a while. The next day Dub brought me some steaks in appreciation of what I had told him. Dub and I were always close friends in the good times as well as the not so good. I remember Dub and I were the only builders to attend Urin Grassity's service.

After we moved from Huntsville I only saw Dub a few times. Dub always carried a positive attitude. I am saddened by by his departure.

I regret very much that I could not come to his service. We are out of town.

“ Maxine,

*I just wanted to express my sympathy for your loss. I can tell you that I have have great memories of Dub. As a little kid he was always really fun to be around. One of my favorite memories is when ya'll had that bbq restaurant in Huntsville and Dub and Uncle Billy used to tell me that the big building across the street was Disney World and that was where Mickey Mouse lived. I later found our that it was Old Maine on the Sam Houston campus. For years I thought I new where Disney World was. You and your family are in my thoughts and prayers.*

“ To the Howse Family, I am so sorry for your loss. When I fist hired on at TDCJ almost 18 years ago, Mr. Howse was one of the first Factory Managers that I met & he was always a joy to work with. He could brighten your day or bring a smile to you face with one of his jokes or stories that he loved to tell! He will be missed by many but just know of all of the hearts that he had touched at one time or another! God Bless You...
