“ *My condolences to the Linqvist families. I'm sorry to hear about the loss of your loved one. Some Bible scriptures that have helped me during times of loss include Isaiah 29:19 and Psalm 37:29 which states "Your dead ones will live...They will rise up." And the Bible also says:"The righteous themselves will possess the earth, and they will reside forever upon it." Therefore the Bible promises that there will be a time when we may be reunited with our loved ones lost in death by means of an earthly resurrection. This is further confirmed by John 5:28,29 which says "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." This is possible thanks to Jesus Christ's ransom sacrifice. Thus we have a genuine hope of everlasting life in a world without wickedness. I hope these scriptures will be of some comfort to you. “ My condolences to the family and friends, I worked with Bill at Capro and I want to say what a privilege it was. To me, He was a quiet man of integrity with a sharp wit about him that always made me smile. I always admired Bill for his ability to envision a need then, go about designing it, and seeing his ideas come to life.

Bill stopped by at Schmidt Tool for a visit earlier this year and I got to speak with him. He still had that smile in his eyes as if to say, "I still have it in me to design one more answer to a need!" - I'm glad to have shared time with Bill and good conversations along the way.
Sincerely, Allen Bradley
