

William "Bill" Meador

April 7, 1954 - January 7, 2024

William Alva "Bill" Meador, born April 7th, 1954 to William Lloyd and Jessie Ruth Meador, died January 7th, 2024 surrounded by family. He is survived by his wife of 45 years, Daphne Meador; daughter April Meador; daughter Casey Ring and husband Gregg; granddaughter Melody Meador and husband Isaiah Vaughns; granddaughter Ainslee Ring (due May 2024); brother Mike Meador and wife Janie; sister Marilyn Jenkins and husband Don; dear cousin Billy Wayne Walker, nieces, nephews, and numerous other relatives and friends. Bill lived a humble life, raising his family in Willis in a home he built himself. Talented in many ways, he was quick to help and slow to anger. In May of 2019, Bill was diagnosed with Primary Progressive Aphasia (PPA), a variant of Frontal Temporal Disease, with little known information. His compassion for others continued past his diagnosis while he participated in studies and testing conducted by a research team at Houston Methodist. In death, Bill continues to help others. He chose to donate his brain for advanced studies to hopefully lead to

a cure.

In lieu of flowers, the family asks for donations to the Association for Frontal Temporal

Degeneration at TheAFTD.org.

Visitation with family will be held Monday, January 15th at 10:00 AM at Sam Houston Memorial

Funeral Home in Willis. The celebration of life will immediately follow at 11 AM. For those who

“ Daphne and precious family, we hope and pray that all of your happy memories of Bill will give you peace and comfort during this sorrowful time. Hunting with Bill and his brother and best friend, Mike, will always be an unforgettable memory for so many. Brynne and I thought the world of Bill. In blissful Heaven, your beloved Bill will have no pain and will probably tell God endless hunting stories. Bill loved and cherished his family and we know they need our prayers every day. Rest in Peace, beloved man.
