

## William Everett Muirhead

June 28, 1972 - January 30, 2021

William Everett Muirhead was born in Pasadena, Texas on June 28, 1972 to Benjamin Franklin Muirhead and Sharon Rose Cook. As a young child, he lived in Pasadena, Splendora, Plum Grove and eventually his parents bought land in Cleveland where they built a home and William remained in the area for the remainder of his life with his wife, Amanda.

William liked people of all walks of life. As a child, he loved family gatherings. He loved hanging out with his uncles, aunts, and cousins and he considered them to be some of the best days of his life. He was independent, responsible and accountable and like many, he was opinionated and stubborn with a heart bigger than Texas. He was a master electrician, a master plumber, he published a book, and a genealogy guru. William and his wife, Amanda, worked hand in hand on many construction projects, which included building their home.

William was a Minister and he and Amanda always provided counsel and tools to those who wanted to know God. In 2003, Everett Muirhead Ministries worked with other organizations to transport more than 12,000 pounds of food to Madisonville, Texas to provide food for those in need. William was a man who helped others from the heart, without need for recognition.

With Amanda by his side. William let his little light shine and gave his all to

those he could.

William is survived by his wife, Amanda Muirhead (nee Beckworth), his mother Sharon Rose Muirhead (nee Cook), step-daughter Lydia Louise Burton and her partner Whitney and their child, Lilith, his granddaughter Abigail Rose Bell, with former partner of Lydia Louise Burton; his brother, Leonard Franklin Muirhead and his children, Austin and Syrena; his brother Michael Dewayne Muirhead and his wife, April and their children, Colby and Emily; his sister Angela Kay Lloyd (nee Muirhead) and her sons, Andrew, Nathan and Clayton; his sister Barabara Jeanette Bradford (nee Muirhead) and her husband Johnathan and their children, Shilo, Dalton, Brayden, and many uncles, aunts, and cousins. William was preceded in death by his father, Benjamin Franklin Muirhead.

“ *I'm so sad to hear about Everett. He was so young. I remember him mostly as a child when he and the family came to visit Papa and Grandma Ollie. He was a sweet, energetic and fun young man. I'm so sorry for his loss. My prayers, love and heart are all with the family and especially my dear Sharon. I love you all. Stay strong, and always remember the good times.*

“ *I haven't seen him in person since High School. But even then he was a man of Godly character. I regret not reaching out to him all these years. Prayers for the family.*

“ William was a good man and will be missed greatly. His passing leaves a large void in our engineering group and in each of our lives. His personality shined and he was friendly and helpful to everyone he encountered. He loved his wife greatly. Anyone could tell that simply by the way he talked about her. William was a good example of what a man should strive to be.

“ William was a huge personality both literally and figuratively. I've told many people that when someone like William touches your life, they make you a better person. William led by example both personally and professionally. His example and expectations made me want to be a better engineer and manager professionally; and more importantly a better husband, father, brother, and son personally. I do wish we could have had more time but he always told me God had a plan for him and now God has him in heaven. I am sure we will meet again. My heartfelt condolences go out to his wonderful wife Amanda.
