“ *What a priviledge it was to know Willie! As kids growing up, we always loved him. He never met a stranger and always went out of his way to be nice to others...As newlyweds who lived in Dobbin, Buddy and I were thankful for the kindness he showed us.....whether it be sneaking over to mow our yard when we weren't home or leaving a sack full of vegetables from Granny's garden on our porch-he was the best neighbor one could ask for! Our children also loved Willie and enjoyed running into him at Mock's store. He was one of a kind and one of the best!!!! We will miss him!*

“ To all of Willie's family: What a loss to Dobbin but especially to all those who knew Willie. From a little girl, I remember Willie walking to our store to get feed and groceries and my dad, Frank Hoffart, would take him and his goods back home. I remember one time, Daddy took him home and came back to the store and in a little bit, here comes Willie. Daddy had taken him back home but forgot to leave his feed and groceries. We've had many a laugh over that one incident. I can just see him and Daddy right now laughing together about all those little incidents!!!! Willie was definitely special to our family. Much sympathy to your family for this great loss.

“ Uncle Willie will be missed greatly. He was a great person, a legend to Dobbin. He was a fun person who loved life and everyone who he met. A fun uncle to go fishing with along with taking walks to lake creek with throwing rocks at snakes. He will be missed greatly. Love you lil Carolyn
