“ William John Stevens was born May 14, 1958 and passed away August 11, 2011 at 53 years old. He is survived by his devoted wife Nancy, son Billy and daughter-in-law Christy of The Woodlands, twin daughters Amber and Autumn, 4 grandchildren: 3 grandsons - Little Billy, Ethan and Ian, one granddaughter - Camryn, brothers Ed, Roger, and Blas, step-father, Baldomar Garcia as well as numerous beloved cousins, neices, nephews aunts and uncles. Bill is preceded in death by his mother Donna and his mother-in-law Marion Warfield.

Bill was a dedicated, loving son, husband, father, family member, and friend.

He was a Christian who was kind to all and was generous to a fault. He would have given his life to save others. He loved to bless others and delighted in their joy.

Bill never complained. He was friendly and full of joy and peace. Again and again and again, as a friend, as a family member, as a boss, and as a husband, Bill would sacrifice his own well being in major ways for others.

Bill attended church at Grace Baptist Church at Waterwood and at Walker County Cowboy Church near his new home and was always eager to volunteer for church work using his extensive knowledge and skill.

Bill loved to share. Many times he was known to give extensive information and guidance to business competitors that he knew personally to help them get a job done right.

He was a hopeless romantic who loved romantic movies and enjoyed giving flowers and gifts and writing to those he loved.

He was a great patriot who was deeply moved by the sacrifices of others for our country and for one's fellow man. He had a desire to

help our nation and lift its spirit.

He was a gourmet cook. While living in the Clear Lake area, Bill regularly treated the area's fine chefs to dinner at his place. And, they came again and again. He not only would cook better than restaurant meals on a regular basis, he would create a beautiful setting and plated presentation on a daily basis.

He knew the glass business inside and out from homes, to high rises, to storefront, to offshore containers and could answer most any question asked him regarding glass.

He also knew construction and was building his own unusual home that he designed.

He did fine work. He always worked with his whole heart. For many, many people he went the second mile doing far beyond what was asked or expected of him, sometimes adding a special meaningful touch to his work. He was truly an artist and could design unique and appealing work. Never one to shrink from a challenge or give up, Bill always found a way to get the job done. In these matters, he was sometimes referred to as a "genius" and his work referred to as "amazing".

With rare exception, having work done by Bill meant you had made a friend you could count on. His friendly lovingkindness was amazing.

He had deep love and was kind hearted. People of all walks of life were naturally drawn to him.

Bill was a dedicated son who dropped everything over and over to help his mother, whom he adored. Whatever she asked, he would do. Her passing away April 30 of this year was devastating to him. He missed her terribly. He is now in Heaven with her.

As a father, Bill was outstanding and his children love him dearly.

For a time, he was a single parent of his twin girls, Amber and Autumn, and his son, Billy, and delighted in making their lives special. He instilled deep caring and generosity in each one of them.

Bill was a man everyone knew was a special, beautiful soul. He was full of love and good will. No one could miss it. He will be missed deeply.

Bill was the man of my dreams. My years as his wife were the best of my entire life. Bill made every day special. He made marriage better than I had ever imagined. To me, he was the most wonderful man in the world ever. My life will always be richer and more meaningful from Bill having been in my life. I will love him forever. I am forever grateful to him and to our Lord and Savior Jesus Christ for having br
