“ *Dear Family, we were so sorry to hear of Bill's passing. He and our dad, George, were inseparatable friends here in Inverness Forest where George Jr. and wife, Sue, are now living. We all have some many good memories of Bill. He and our dad were so much alike, it was scarry and now they can be together again in death as in life.*

“ Erik, I'm so sorry about your Dad. As you know, I had the privilege of working with him in both Reston, VA and Houston. I have never known a finer man and I loved his funny, subtle sense of humor. My thoughts and prayers are with you and the entire Volkmer family.

“ Dear Artie, Roxey, Jon, Kurt, Erik:

We were so sorry to hear of the passing of Bill. You all know how much I thought of him as a coworker, and a friend. The clock he made me is in my office as we speak and the many other 1/3P items he gave us. He was a very thoughtful person and I am sorry he was not able to enjoy his retiring years to the fullest. I know all of you love him and will miss him greatly.

We moved to North Texas in 2008 so we have not seen you in quite a long time. Our prayers are with during this most difficult time.

“ My sincere sympathy to all members of the Volkmer family. I knew Bill from our Polish genealogy days and I went to Poland with him. He was a kind and generous person. We Poles enjoyed him and his humor and we knew that he was 1/3 Polish. We have missed him in recent years and speak fondly of him. His obituary described him with such love. He would have been so pleased if he could have read it. He will rest in peace.

“ MEETING AGAIN

*I am walking under the stars.
Dreamy eyed with wonder.
Wondering if you are there, exploring the universe.
Can you fly high with your angel wings?
Flutter over us, and show us that you are here;
Here in our world to help watch over us.
One day I will follow you to your world,
Where we can meet again, and embrace once more.*

*Our deepest condolences to Artie and family,
From the Henry's*
