“ *Dear Webb Family:
We want to give our deepest condolences to your family. Rev. Webb was a great man and a great preacher here in Dayton. I have very many memories of him from the building of our church to the plays that me and his family were in at the Valley Players theatre in Liberty. We have always had a special place in our hearts for the Rev Webb family. Mrs Amy take care of yourself and if there is anything that you or your family need just let me know. We love you all.*

“ Dear Webb family,
My prayers are with you for the loss of "Brother Webb" as we have many fond memories of your ministry at Almeda Methodist. I have thought of him often over the years from the fun times in Almeda, and his coming to our aid when we lost our Dad after moving to Richmond. I was blessed to have known him and I know many, many other families feel the same way that were fortunate enough to have been ministered by Rev. Billy Webb. Love to you all, Clayton Bland

“ Reverend Webb married me and my husband of 47 years at the Almeda Methodist Church in Almeda, Texas December 4, 1959. He did a great job we are still happily married. God has blessed our marriage. It has been many years since I have seen him - I think the last time was at a hospital. My sympathy and prayers are with you and the family at this time.

“ *Dear Amy and family - I am so thankful for having had you and Bill serve as our pastoral family at Fairbanks UMC. Bill brought much warmth and humor to the pulpit, only exceeded by his love and service in the name of Christ. We were blessed by your time with us and motivated by your Christian example. Love to you - Diana Braziel*

“ Dear Amy and Family,
We loved Bill Webb! Pastor Bill preached at our little Chapel of the Lakes in "177 Lake Estates" for many years on the first Sunday of the month. We couldn't wait for the first Sunday! Not only were we assured of a wonderful, inspiring message but we loved the war stories, the sailing stories, the camping stories and his life adventures. Plus Amy always added extra entertainment with her piano playing and the visitors she brought to sing and share. Amy had a few stories of her own. One year at our Valentine's Dinner they sang a spirited duet! It was great! Pastor Bill even played the saw for us on occasion. Dean remembers fondly taking Pastor Bill for a heart check-up down at the Medical Center and on the way home Bill said "Now let's pull in here for dinner. I always reward myself for a heart check-up by going to James' Coney Island!" He will be missed but what a legacy this wonderful man left to others. We're so blessed for having him in our lives.

“ Dear Annie Mae and the entire Webb Family. Our heart goes out to all of you in your time of loss. Lisa and I have nothing but the greatest admiration for Billy. I feel as if I have lost my father all over again. Billy touched both of our lives in ways that he probably never imagined. We as a church and a community have lost a true pillar of strength, and a giant among men. No man could ever hope to fill Billy's shoes, but we should all strive to walk in his footsteps. This world would be a much more kind and gentle place if we would all strive to be like Billy Webb. GOD Speed and bless you my dear friend. For GOD has truly blessed any person who was fortunate enough to call Billy Webb his or her friend. I truly am on of the fortunate ones. Although Billy has left us to be with the true father, he will never be forgotten by those whose lives he touched. My God, I love that man so much. May the peace and love and comfort of Jesus Christ be with you all through this difficult time. Love always. Ken and Lisa White
