“ *My dear Aunt LaVerne, I know you walk in the warm and loving light of God now and that you are surrounded by many many loved ones. You and the other aunts and uncles were a big part of my life growing up. I remember the family reunions and spending fun times at Aunt kathy's and uncle thomas' and aunt betty and uncle oscar's houses. Those were happy memories. I wish things could have stayed the same through the years. I love you and remember you fondly, the southern texas drawl that said our names so sweetly!! Until we meet again, tell everyone I said hi and I love and miss them. Your niece, tori*

“ Aunt La Verne will always be remembered as a beautiful person both inside and out. I remember her fancy dresses, high heels and impeccable makeup . What an amazing life she lived! Jace and I were blessed to get to see her more often over the past six years that she lived in our town. I know she is whole now happy and young again I imagine her walking through heaven in high heels and matching bag in hand Smiling

At peace in the arms of our loving Father. You were blessed with a long life and we will cherish the memories. I remember the lunches and conversation we used to share after our shopping trips. Play dominoes with mom and dance with Jesus till we meet again.

“ *Granny LaVerne, as we called her...a cherished moment when Jordyn was born, Granny LaVerne came to Rosewood Hospital and stood in place for my mother who passed the year before. We will be forever grateful her unconditional love...the times she had Jordyn over for a spend the night and tea party! Granny LaVerne always managed to keep us in stitches...even unto our most recent visit at her Veteran's home, where she hilariously came out with a line to Jordyn, we all laughed so hard!
We're so happy to know she is truly with the Father and her beloved family, all pain and suffering is over. We love and cherish her.*
