“ *Your Mother touched my heart and I will miss her dearly. I was thankful that I could be a part of the hospice team that cared for her. I am glad I could put a smile on her sweet face the last few hours she had once we started playing country music for her and I told her I was soon going to hear Charlie Pride sing "Kiss an Angel Good Morning" and that she had been our angel and she smiled. God bless all of you and may you remember the good times with your Mother.*
