“ FOR BETTY,

*LETTING GO*

*Letting go is hard to do, it is hard to understand.*

*We planned, for eternity, that we would be hand in hand.*

*God and time had other plans, they did not check with me.*

*I sweep the grass, that hides your stone, beneath the shaded tree.*

*I promised that I would not cry on, days I came to visit.*

*It is time that I moved on with life.... but..... really .... is it?*

*Death is suppose to break the vows , that we spoke years ago.*

*Would someone tell my mind and heart, because neither of them know.*

*I wish that you were here with me, It is hard to carry on.*

*Even though, I see your grave, my lips wont say you are gone.*

*Your pillow keeps me company, through my nightly prayer.*

*Since you can not be here with me, I will hold it until I am there.*

*The Bible says when Christians die, they are present with the Lord.*

*I know that God was standing there to welcome you aboard.*

*Faith is all I have right now, but faith is all I need.*

*That, one day, we will walk hand in hand, just like we both agreed.*

“ I will always remember the good times we had working with Scotty on many square dance projects - Association and Harvest Hoedown. We enjoyed his calling and the square dance world is better because of him. He will be missed.
