“ *Troy I am so sorry to hear about your mother. I remember my first day of teaching being in the room next to her. It's been a long time since I had you in Kindergarten but I'll never forget that year with you and her. I'm proud that she has 2 grandchildren that she loved and I know that she loved you and your dad. Go forward knowing that she was a loving wife and mother and a friend to so many. She is at peace in heaven with her father and watching over all of you each day with love.*

“ So many memories of this lady. Some of my best years were created at RHS. And Ms Willow Walker was part of many important events. She said what she meant & meant what she said. But always the same~regardless of who you were. Ill always remember her for being a good strong addition to RHS. She was a good teacher, but better principal. She just worked better as 'boss' #Smiling. RIP ~ Although we will miss you, we thank God for your life.

“ I just found a picture of Mrs Willow and Mrs Marie Farris during vacation bible school at Ebenezer Baptist church, taken around 1979. I have many fond memories of her growing up out there and how sweet she was. She always had candy and would give me a piece before we sat down for church. She is gone and I know she is in heaven with all of our loved ones. Your family is in our prayers.
