Wilma was a beloved member of her community. Being one of the few residents in her senior apartment complex who had a car, she became the free cab service to the residents, thus earning her the title of the "Roadrunner". As well as possessing a tremendous giving nature, she was a very loving mother, and her sweet spirit was felt by everyone with whom she interacted. Throughout her adult life, she worked at several grocery stores as a meat wrapper, starting at the Huntsville Piggly Wiggly. She was an incredibly hard worker and thoroughly enjoyed her job. In her free time, she loved playing bingo, playing dominoes with her friends, and working on word search puzzles. Despite her poor vision, she was also an avid reader of the Bible. Her love of God was well known by all, and she was a long-time member of Calvary Baptist Church.

Mrs wilma, You were a very special lady to me. I remember you were always at Calvary Church and years ago, you sat on the front row of our Church and I don't recall you ever missing a Church service! I taught your grandchildren in Sunday School, and I loved you and your family always! You were a wonderful Mother, Grand Mother and a Great Christian lady, Even in your later years, you managed to come to Sunday School and Church and sat on the back row with your Sweet Daughter, Donna. You will be missed in our Sunday School Class and Church service. God Be with your Family as they endure missing you,, God will provide the comfort they need.

“ I just want to say that you are the most loving, giving and God fearing lady I have ever known. You gave yourself so unselfishly to me as a child and I want you to know how much you meant to me and thank you for being my mom. You were always there for me at a very young age and I can't imagine not having you in my life. I love you mom and I will never forget you. I'm proud to have had you as my mom, you taught me so much, I remember sitting on the back of the couch watching you cook dinner for us every night. I am the cook I am today because you took the time to teach me. . We always had great meals, nice clothes and a mother that I had not of had if not for you and I am greatly appreciative. I love you
