“ *Jo was one of the sweetest and dearest friends I've ever met. She worked with my father at the court house and she always had a smile on her face and love in her heart. I'd see Jo around town and she always made time to ask about my family and my life. Jo will be dearly missed but she will live on in our memories of her! May the Lord bless & keep her family peaceful at this time when she is at rest with her Lord.*

“ *Wilma Jo was one of the finest people it has been my pleasure to know. She loved her God and her family with all of her heart and would have done anything in the world she could, to help someone who needed her. She will be missed.*
