“ *As my heart is breaking and the tears continue to fall, I know his pain is gone. This earth has lost one of the best men I've ever been blessed to know. I pray for this wonderful family to have peace and guidance during this time of grief. No words can express the pain and emptiness you are all feeling but just know, he would want all of his loved ones to celebrate his life and not to be so sad. I just know God had the most beautiful set of wings just waiting on him, and now he is flying high now. So many wonderful memories and laughs come to my thoughts but most of all the way Lee and Mildred always made me feel like I was family, and I was included in every event, and let me tell you there was never a dull moment when Lee was around! He will be forever loved and never forgotten. RIP now Lee Enjoy your new wings 🕯️*
