“ Mrs. Mosley and Family. I am very sorry for the loss of Mr. Mosley, he meant a great deal to me. When my parents came to the United States from Kenya, Mr. and Mrs. Mosley were very nice to them and when I was old enough to remember people, I remember Mr. Mosley. When I was little, I remember he got me a gift and it was a Bert stuffed bear from Sesame Street. I remember getting so scarred that I screamed and ran behind my mom. I had that bear for years and now at 22 i think it is still at my parents home. I remember getting picked up every Sunday for church and I am thankful for that. I do preach to kids and do Christian Music and if I did not have these Good Samaritans taking me to Sunday School I might not be the Man of God I am now. Since my grandparents were in Africa, I always considered them my grandparents. I send all my love from Los Angeles.  
I love you Mrs. Mosley, and the rest of the family.

Thank you for letting God use you. Until we meet again. I love you and will miss you greatly.

“ *Mrs. Moseley and Family:*

*Please accept my sincerest condolences at the passing over of your Husband and Father.*

*I so fondly remember the years that I spent over at your home, playing with John. and how Mr. Moseley always made me feel welcome, as did the rest of your family.*

*I especially remember the time Mr. Moseley gave me a car ride down to Huntsville, I believe in the spring of 1974, so that I could visit John over a break period. Mr. Moseley's wit and vast knowledge made that trip very exciting as well as educational.*

*Again please accept my condolences at your loss.*

*Respectfully;*

“ *To our wonderful friends: Yack was ALWAYS there for me. Others might not understand why things turn out a certain way or why people seem to mess up their lives so much. But, Yack didn't care what kind of trouble you were in or how messed up your life was. He was just always there. His every Sunday teachings are brought to my mind on a regular basis and help to keep me focused on the right path. He will be greatly missed in our lives, but I know he has gone to the one place he has lived his whole life for. You are in our prayers. Love to all*

“ Mrs. Moseley and family,  
I am so sorry for your loss. What a great christian man! What a great legacy he has left - his family. I remember his quiet yet firm way he questioned me when I roofed the house many years ago - just like my daddy. So many good memories. I love you all.

“ *What a lasting impression this man has made on so very many lives with all of the SHSU students he taught or came in contact with. My life was made better by knowing him. While I was the SHSU Alumni Director (1977-1992) he was ever the gentleman and so helpful to me and my staff. Rest in peace, Dr. M. Norma Dell Jones of Lovelady, TX.*

“ Genevela, our prayers are with you and the rest of the family as well. Thank you for the warmth you and Yack have shown us. Thank you for sponsoring us as Gideons. Please do not hesitate to call on me for help. I am here in whatever way you need me. I know it is a rough time, but attending the Auxillary Banquet thursday evening would be good for you. I'll pick you up! Let me know. God bless you, Sister.

“ Genevela, Grandma and family, our love and prayers are with you. We are so blessed to have the Lord put all of yall into our lives and one of my fondest memory is back in 1986 when we were looking for a church and walked in there to see this very talented song leader not only leading the singing, but doing it like a good teacher should. ....and after having gotten to know Yack closer to see his sincere devotion to Jesus and his desire to see that the church did likewise and not follow the whims of man. What a man! What a legacy!!

“ To our sweet Moseley family, I am greatly saddened by the loss of my Uncle Yack, but I am ever so grateful I had one last chance to see him at our recent Getchell family reunion. As always, Yack lit up the room with his smile and helped to make us all feel welcome with his gentle hugs. He will be forever in my heart and I know I have been so blessed to have had him in my life. May God bless you all and bring you comfort during this time. With love, Delayne Stark, Arlington, TX.
