Yolanda was a huge fan of Tejano and Country music and loved to dance.

Upon My Mother's wishes she did not want any Funeral or Services but for you to only remember the good times. My Mom is gone but the thought of her sitting with grandma comforts me the most.

I did not give you the gift of life, life gave me the gift of you.

“ *The memories I would love to share: From stealing your cigarette's to laughing our butts off when Grandma would yell at you to take my sister Norma or Me with you to the store or set the table for dinner, or just to argue for any sake-- Our talks when I got older and our arguments over silly stuff-- The family called me mini Yoli due to our stubbornness and we both have a mouth on us that can not be controlled--- I will miss you so much and I know you are resting with Grandma and Grandpa and NO fighting with Rudy aka my Father-- May you Rest in Peace Aunt Yolanda---I will forever remember our last conversation and your words of Love- We love you dearly, From Rusty kids- Norma Uresti , Lisa Uresti and Amando and Daniel Uresti*

“ *Curtis and Yolie's family members. Please know how very sorry I am for your loss. She loved you all so deeply. I definitely feel your pain. I will miss her horribly, sitting on my front porch on her visits and discussing family and day to day issues. I loved her so much and will miss her intensely. My heart is broken. Prayers to you all.
